Training Date: May 19-20, 2016	
Course Name: ASP.NET MVC 5.0	Rating out of 5
COURSE	4.5
FACILITATOR	4.52
INFRASTRUCTURE	4.25
APPLICATION	4.6
OVERALL EFFECTIVENESS	4.6
No. of Participants attended	30

What Worked Well ?

- Trainer presentation on the concept was excellent and clear.
- Trainer explained with the topics with examples.
- Trainer ensure to answer all the participants queries.
- The issue on real time scenarios was explained on cases to cases basis.

What could have been better?

- Need more real time examples
- Need to extend the training duration

Best Regards,

Shilpa Gurudevarajappa | Specialist, Learning and Development
